Note that if you are not listed, you will also not receive a copy of the listing. You should also be aware that occasionally pictures are taken at PSSST events and often appear in the *Nudesletter*.*

You have become a member to participate in and enjoy club activities. However, you are also expected to either Host or be a Party Assistant one time each year. Hosts generally decide the theme of their party, coordinate with club party planners, decide on the type of food, how many guests, time, etc. The club, of course, pays all expenses of the party. Party Assistants help a host with registration, clean-up and other activities the party might require. Please indicate which one (or both!) of these activities you would be willing to perform and the month in which you'd like to perform it.

PSSST is a cooperative social club, not a business venture. The officers are volunteers who pay full dues and receive no compensation for their work. It is expected that all members will cheerfully cooperate in sharing club duties. To become a member you (or both of you if this is a dual membership) must sign and date the following release.

*I (we) certify that I (we) am (are) at least twenty-one (21) years of age and legally competent to sign this release. I (we) acknowledge that I (we) participate in PSSST activities at my (our) own risk. I (we) release PSSST, its officers, directors, members, event hosts and outing leaders in their individual capacities from all liabilities, claims, demands or other causes of action arising from any loss or injury incidental to the planning, organizing or participating in any outing or event.*
